

DVEC Hannah Amgott Memorial Scholarship History

In 2003, a committee was established to develop the guidelines and procedures for awarding scholarships to education students at our member institutions. The committee was chaired by Hannah Amgott, who was the Associate Director of Career Advising and Planning Services at Widener University. When Hannah passed away in 2005, the membership of DVEC voted unanimously to name the scholarship in her memory.

Each year, the scholarship applications are judged on merit, defined as strong academic record, excellent written communication skills, and genuine interest in and commitment to the field of teaching. In the past 7 years, we have awarded 29 scholarships totaling \$22,500.
